NARRATIVE STATEMENT: Please provide a brief statement indicating why you wish to be appointed to this board or commission, including the strengths you feel you could bring to the position for which you are applying. Information may include education, professional experience and community activities pertinent to the position for which you are applying.

I have been a member of the Harrisonville Community for many years. I desire to make a positive impact, and as Alderman I will be given that opportunity.

My parents were small business owners when I was young so I have an understanding of what it takes to run one. As a mother of 5, I have much knowledge of the school district. I have been a real estate agent for over 11 years and cosmetologist for over 14 years. I ran a home based salon in Harrisonville for a couple of years, so I have understanding of what it is like to operate a business in Harrisonville. I also do much of my real estate business in Harrisonville so I know the needs of the real estate market.

I am excited about the opportunity to serve!

I understand that my attendance at all regularly scheduled meetings is critical, even if I am an alternate member, and that the Board of Aldermen may appoint a replacement for members who are chronically absent from regular meetings. I also understand that this application is considered a public record.
