BOARD OF ALDERMEN  
SPECIAL MEETING  
HARRISONVILLE COMMUNITY CHURCH  
1606 CHAPEL DRIVE  
HARRISONVILLE, MO  
AUGUST 8, 2019  
6:30 PM**

The Board of Aldermen is looking for public input as they contemplate instituting “No Parking” on both sides of Bird Ave. from Mechanic Street to South Street. Bird is one of the main connectors between two highways and is a busy collector street in the city. The Board is considering the “No Parking” requirement as a safety precaution for motorists and pedestrians using the street. The public is encouraged to attend. There may be a quorum of the Board of Aldermen in attendance.
